(January '99)

Let me die alone in darkness,

Shunned by the light

Misanthropic death,

Ignore the past life

No more visions of tomorrow

Dreaming the Death,

A tomb in the fog

A cold tombstone

Forgotten by everyone

FORGOTTEN TOMB

Leave me alone

Let me follow the path to nothing

Through the lands of inhumanity i wander

The black candle light has closed,

I can see the blackened beauty of Death

Forget me, i' ll miss myself in the void

FORGOTTEN TOMB...

I am alone now,

Only the dark listen to my words

Forget me
