Where I keep sorrow
in my heart
When I can feel the last kiss

Like snakebite
Nothing to hate
No one can stop
my sadness
Things that I say
Don't need the revelation

Now break the silence,
forget your shame
Don't try to run away
from your pain
With bloody hunger,

By my side
Nothing to hate
No one can stop my
sadness
Things that I say
Don't need the revelation

Now break the silence,
forget your shame
Don't try to run away
from your pain
With bloody hunger,
inside my chest
I drawn in midnight world
It's my guest...
