Always mine a sensual bliss Always yours what you feel is right Not a day with some joy to miss One man stand  $\tilde{A}f\hat{A}\hat{\varphi}\hat{a}$ ,  $\neg$ " got a fight to fight I face my fear It has no name Here I stand come and bring me peace I disappear it's just the same Future's now soul prices slashed

Erase the concept of time
And destroy all consequences of progress
'Cause nothing truly is mine
In the maze of resolution and process
