"and Don't Deliver Us From Evil"

Lead us into temptation
We are nothing but tools
To embrace the enlightenment of depravity
Take our souls, take our lives, take everything from us

Mother Who art in the depths
Thy kingdom come
Thy will be done on earth
As it is in death
And dont deliver us from evil

A will to do harm
To ourselves and to all lives that well cross
We chose a path with no way back
Let us touch the ecstasy of iniquity

Mother Who art in the depths
Thy kingdom come
Thy will be done on earth
As it is in death
And dont deliver us from evil

In the name of everything thats foul
We glorify our will to destroy
No flesh shall be spared
Join us in the light of Negativity
