Challenge me again, you think you are a king
Wanna flying high but you wont go far
With those burnt-out wings

Save your lies cause I know
Youre the one to blame
Youre running out of luck
Here comes the pain

Downlift
Drag you under
Into the shit where you belong
Downlift
Im cutting you down, cutting you down
Down to size
Forever permanently

Drag you down youre gonna hit the ground
You better watch your back
Ill slit your throat without a sound

I got some plans for you
And nuthin fancys coming your way
Go ahead scumbag, make my day

Downlift
Drag you under
Into the shit where you belong
Downlift
Im cutting you down, cutting you down
Down to size
Forever permanently

Challenge me again, you think you are a king
Wanna flying high but you wont go far
With those burnt-out wings

Bred and born in southern Europe
(Im) a pissed-off motherfuck
Dont mess with the working class
Spoilt brat, kiss my wop ass.
