

Forlorn "Closer"

Feels like you never sleep for days.
The television's on, I can't stay awake

And we all fall down again.

When your friends leave, are they get-gone?
It's such a pet-peeve when you prove me wrong

And we all fall down,
And we all fall down.

I need to get back to Tempe,
it's been 2 years since I've been there before.
Back down to the streets that keep me,
the ones that keep me away from Glendale.
Open your eyes, and let me in,
I swore to God, I'd never swear again.

And we all fall down,
And we all fall down, again.
