Forlorn "Disintegration"

Life Another sense of reality Could be an illusion Possibly a nightmare

Galactic on forward in motion Cursed systematic evolution Genetic codes Programmed to failure Dismay is the new content

Mechanic organs - organic chaos Creation of bitter times

Flesh or mechanics Soul or software Not in control Can't be rebuilt to think Force field emotions Internal confusion To be something but no one The curtain falls hard on illusion

Disintegrate to create

I see the new stave I see the same dismay Same shit, new day
