(Jane Wiedlin)

Ghetto blasters, phony jewels

Cathedrals, castles, making up rules

Trashy novels and leather gloves

This is a list of the things I love

CHORUS

I am the girl of 100 lists

>From what shall I wear

To who I have kissed

Check items off

Let nothing be missed

Sing I to myself and my 100 lists

Pick up your laundry, doctor's at ten

We're out of toothpaste, rehearsal (again)

Stop by the bank and cash my pay

These are the things I must get done today

CHORUS

Ricky and Danny and Terry and Jim

Dean lasted six months-don't forget him

Perhaps some day this list will end

Till then I tally my gentlemen friends

CHORUS
