Illusions...
Colors clash the sounds
Broken reality
Shattered against the ground
I am your savior
A light in your black
A shelter from your storm
(I) A knife in your back
Twisting...
Deeper...
Into this madness
A meaningless journey
An absence of light
An absence of me
Into this madness
Submerged beneath the depths

Immersed in these souls
From my body ripped
Away...
Twisted images color
Wrapped around my mind
Slamming against the walls
Reality denied
Trapped within
A prison of my making
Erroneous visions
Waiting for the dreams to bring...
...Illusions
