Neko take it slow, show me that you care 'cause loves
not just a flare on my sleep

Sleep well, I pray the cardboard boxes set the perfect
stage cause woodgrain makes all man made things
seem so out of date,
Life is not a play it's what we make of the people we
love,

Snails see the benefits, the beauty in every inch Oh why
why oh why oh why, are you quick to kiss

She bites at blades and leaves god damn
shruberry, well I'm sick of vanity plays, should we move,
to the UK, cause life here in the states has escaped
All the people above us, what we make of the people
we love

Snails see the benefits, the beauty in every inch Oh why
why oh why oh why, are you quick to kiss

Baby maybe, I spoke to soon I'll touch once you make
the first move, snails see the benefits, the beauty in
every inch

I watch her as she runs, my mother jumps the gun, she
puts her in her arms, that is just like my mom never lets
got, never lets me grow old, I wanna pay
Her back, but love is nothing you can tax

My families not rich by any means, but I feel we won the
lottery, that day, well the rock swallowed the girl, I cried
as cameras caught my eyes, my tears turned into
Butterflies, they fly away as caskets close and new day
comes your weight unfolded, smile when you feel the
sunlight, feel the sunlight, you feel the
Sunlight

Snails see the benefits, the beauty in every inch Oh why
why oh why oh why, are you quick to kiss

Baby maybe, I spoke to soon I'll touch once you make
the first move, snails see the benefits, the beauty in
every inch

Snails see the benefits, the beauty in every inch
