[Nas samples] (Hook)

"You know it's like that, you never get the mic back  
I got it hemmed, When I...When I...attack  
Hit em all, and they try to strike back"

[Nature]

Ayo, on hot summer days I sit under AC  
Slow mo, bumping Jo-Jo KC  
Life shit be the theme cut, clean cut image  
When me and Ali teamed up you can't fuck with us  
Fuck niggas if they can't accept it  
Under paid need to check in the mail every twenty days  
Watching the funny ways of them record execs  
(executives)  
Get em hog tied and thrown in the trunk for a long ride  
Never let a wrong slide, two wrongs don't make a right  
Fuck your whole cassette, two songs don't make you  
tight  
Need at least eight or nine of them, possibly ten  
Stay rewinding em, they pop go then you cop one again  
It don't stop until your pay checks gone  
Bootleggers in the street wait for Nat's next song  
I stay warm, until the day that I decide to cool off  
Who lost?, we be the hottest muthafuckas out of New  
York

[Hook (Nas samples)]

[Ali Vegas]

Ayo, I kick poetic scriptures  
Fake willies get Mote off bitches  
I throw up at yo sister's on my quest for riches  
Put some lead through snitches  
I'm from the same home the Giants, Yankees, Mets,  
and Knicks is  
Still surviving the block, putting pies in the pot  
Nature still fighting with cops  
Got real niggas that'll gag your wife with a sock  
Get your little mans sliced with an ox  
Risk life in the box, just to get near the ice on your  
watch

Stay with cool intentions, fuck trials and school  
suspensions  
Only listen to rap if the jewels ain't mentioned  
They know my pen is flawless like my women  
Gorgeous Kim's in George Prince  
Wolves stay with chrome four-fifths  
I rap professionally now  
Commentators ask the specialist how...  
Long it took before perfecting my style  
Even with a deal I got more bills than Destiny's Child  
Y'all know it's like that, so fight back  
I'm reckless and wild
