[ManannÂin's Notions from Emain Ablhach:]

I am a wave: on the rapt CythrÂiul
I am a flood: across the croggy plain
I am a wind: of seven gales
I am a tear: the Sun lets fall

[Chorus I:]

I am
ManannÂin
Mac Lir
Noble warrior of lycanthropy
I am
Fachtna
High King
To shake thy cloak shall bring outbreak

I am a tide: that drags to engulfment
I am a current: a compass towards Visnech
I am a tempest: the onslaught of outburst
I am a zephyr: theirs is second pain

[Chorus II:]

I am ManannÂin
Mac Lir
Avatar from sail to sea
Thy horse
Aonbharr
Grand Steed
Chariots forever lead

I am an ocean's womb: of all abyssms
I am a blaze: for every burning bathym
I am a lure: of the plumbless benthos
I am a breaker: bottomlessness doom

[Chorus III:]

I am
ManannÂin
Mac Lir
Shape-changer; Lar of deep
Thy sword

Fragarach
"The Answerer..."

[Bridge:]
Remember me, thou art all wind
And back with gusts thou shalt return

I'm the hawk: above this cliff, behind the waves
I'm the thorn: exude this rose, yet fleece the sky
...FLEECE THE SKY

I'm the hill: where poets walk and Tara lies
I'm the throne: from a tantalizing glimpse
...FROM A TANTALIZING GLIMPSE

[Repeat 4th & 5th Verse]

[Chorus IV:]
Hear the thunder roll
I am
ManannÂin,
And fear the sky shall fall [x5]

[Repeat Chorus IV]
