[Manannn's Notions from Emain Ablhach:]

I am a wave: on the rapt Cythrul

I am a flood: across the croggy plain

I am a wind: of seven gales

I am a tear: the Sun lets fall

[Chorus I:]

I am

Manannn

Mac Lir

Noble warrior of lycanthropy

I am

Fachtna

High King

To shake thy cloak shall bring outbreak

I am a tide: that drags to engulfment

I am a current: a compass towards Visnech

I am a tempest: the onslaught of outburst

I am a zephyr: theirs is second pain

[Chorus II:]

I am Manannn

Mac Lir

Avatar from sail to sea

Thy horse

Aonbharr

Grand Steed

Chariots forever lead

I am an ocean's womb: of all abyssms

I am a blaze: for every burning bathym

I am a lure: of the plumbless benthos

I am a breaker: bottomlessness doom

[Chorus III:]

I am

Manannn

Mac Lir

Shape-changer; Lar of deep

Thy sword

Fragarch
"The Answerer..."

[Bridge:]
Remember me, thou art all wind
And back with gusts thou shalt return

I'm the hawk: above this cliff, behind the waves
I'm the thorn: exude this rose, yet fleece the sky
...FLEECE THE SKY

I'm the hill: where poets walk and Tara lies
I'm the throne: from a tantalizing glimpse
...FROM A TANTALIZING GLIMPSE

[Repeat 4th & 5th Verse]

[Chorus IV:]
Hear the thunder roll
I am
Manannn,
And fear the sky shall fall [x5] [Repeat Chorus IV]
