Annihilate - the seeds of real
Abandon - the standard dimension feel
Assimilate - the logic of chaos
Absu - balance the serpent

At nightfall, burgundy eyes arise
Beginning of the cosmic dances
Surrealistic, the serpent's command
Ugallu, obey the magus' rule

Annihilate - the seeds of real
Abandon - the standard dimension feel
Assimilate - the logic of chaos
Absu - balance the serpent

A frenzied rupture opens the stone
Out pours the beam and the shaft of light
Point it straight to the mountain's zenith
Ye utukku awake, utukku

Annihilate - the seeds of real
Abandon - the standard dimension feel
Assimilate - the logic of chaos
Absu - balance the serpent

Unrestrained, the light razes the night
Savage, causer of the mystical
Bring the ginyaatlle of lava
Achieve theory from the mythical

Nisir - tedloonetaa of salvation
Nisir - mountain of elevation
Kukhwa - burn over the dome
Ye utukku awake, ye absu rage

Annihilate - the seeds of real
Abandon - the standard dimension feel
Assimilate - the logic of chaos
Absu - balance the serpent

Annihilate - the seeds of real
Abandon - the standard dimension feel

Assimilate - the logic of chaos
Absu - balance the serpent
