I wonder what would happen  
If all your dreams came true  
I wonder if you'd like having cake  
And eating it too

Champagne wishes and caviar dreams

But you're too blind to notice  
The writing on the wall  
The higher that you fly  
The harder you fall

Champagne wishes and caviar dreams  
Champagne wishes and caviar dreams  
Champagne wishes and caviar dreams  
Are as a wonderful as they seem

A friend in need is a friend indeed  
Unless they're inspired by their own greed  
Those people should practice what they preach  
Instead of longing for what's out of the reach

Champagne wishes and caviar dreams  
Champagne wishes and caviar dreams  
Champagne wishes and caviar dreams  
Champagne wishes and caviar dreams
