Darkest night
candlelight
your hands were soft
your skin too pale
white on white
I had to turn away
from your light

I could see you
laugh at me
you knew what
I was thinking inside
with one look
of your all seeing eyes

Wear the disguise
I'm lost in your eyes

Your glance felt
like a knife
so clear, so blue
I was swimming inside
I was swimming inside

You'll always be
real to me
I took one look
I could fly away
stare, stare
in your all seeing eyes
till starlight

You wear the disguise
I'm lost in your eyes

Amedio,
gli occhi tuoi
mi anno fatto innamorare
