Darkest night, candlelight  
Your hands were soft, your skin too pale  
White on white, I had to turn away  
From your light

I could see you laugh at me  
You knew what I was thinking inside  
With one look  
Of your all seeing eyes

(Your eyes)  
You wear the disguise  
(Your eyes)  
(Your eyes)  
I'm lost in your eyes

Your glance felt like a knife  
So clear, so blue  
I was swimming inside  
I was swimming inside

You'll always be real to me  
I took one look, I could fly away  
Stare, stare in your  
All seeing eyes, Till starlight

(Your eyes)  
You wear the disguise  
(Your eyes)  
(Your eyes)  
I'm lost in your eyes

(Your eyes)  
You wear the disguise  
(Your eyes)  
(Your eyes)  
I'm lost in your eyes

Amedeo  
Gli occhi tuoi  
Mi anno fatto innamorare
