Orange Flip upon my lip
Orange Flip

Orange Flip
Orange Flip

Luscious Orange is the color
Always makes me sigh
Candy colored, sugar coated
Know the reason why

Orange Flip
Orange Flip

Orange Flip
Orange Flip

Orange Flip upon my lip

Orange Flip upon my lip
With me all the time
Candy colored, sugar coated
Always on my mind

Orange Flip
Orange Flip

Orange Flip
Orange Flip

Orange trip
Orange trip
Orange trip
Orange trip
