Is it in the things that I told you  
That make you understand  
Or is it in the way I hold you  
Gripped tightly in my hand

Tambourine comes in colors  
They're like ones that I've never seen  
Tangerine is the color  
Of my baby's tambourine

A wonderful sensation  
That jingles inside me  
The way you come in colors  
When you shake your tambourine

Crystal blue persuasion  
And all my favorite things  
Turn colorful new colors  
When you shake your tambourine

Tambourine comes in colors  
They're like ones that I've never seen  
Tangerine is the color

Of my baby's tambourine

Tambourine comes in colors  
They're like ones that I've never seen  
Tangerine is the color  
Of my baby's tambourine

Tambourine comes in colors  
They're like ones that I've never seen  
Tangerine is the color  
Of my baby's tambourine

Tambourine comes in colors  
They're like ones that I've never seen  
Tangerine is the color  
Of my baby's tambourine

Tambourine

Tambourine  
Someone save my, save my tambourine  
Tambourine  
Someone save my, save my tambourine  
Tambourine  
Tambourine
