Always a sunny day
blue sky
everything so bright
my mind is thinking of you you
I cant get you outta my head
I saw when you were five
I get so shy
whenever you're near oooo

I got a try and pull it together oooo
I cant let this opportunity pass me by by
I gotta try to find the inner strenght
if only you to remind

I got a crush on u
and i dont know how to say it but i feel inside
I got a crush on u
if i could just get to u n know it u can feel it u feel it too

you're perfect everyday
in eyes u can do no wrong
everything u do i replay play
n im sure u dont know this jean but when you're real
close to me and that is a day oh yeah oooo

i gotta try and pull it together ooooo
i cant let this opportunity pass me by by
i gotta find the inner strength it for u to be mine
I got a crush on u
and i dont know how to say it but i feel inside
I got a crush on u
if i could just get to u n know it u can feel it u feel it too

I got a crush on u
and i dont know how to say it but i feel inside
I got a crush on u
if i could just get to u n know it u can feel it u feel it too

I cant fight it and i cant shake it
this girl juat got me over taken
im fallin fallin for you
you you you you you you

oo boy fallin for

i got a crush on u
and i dont know how to say it
but i feel inside
i got a crush on u
if i could just get to you and know it u could feel it too

i got a crush on u
and i dont kno how to say it
but i feel inside
i got a crush on u
if i could just get to u and know it u can feel it too
