Lets go ya'll  
These people are running off at the mouth  
Tryin to convince me that I'm running on empty  
Tryin to convince themselves that the record with Jay  
was a fluke  
That the record that I'm makin is a mistake and I can't  
take this  
Lemme tell you where I'm at with this  
You bastards are gonna have to take back that shit  
I'm not plastic and fake  
When I make tracks I take facts and lay them out for  
the masses  
You assholes are gonna see soon that I'm not playin  
Start askin me the names that I'm not sayin  
But I'm tryin to be bigger than the bickerin bigger than  
the petty name callin under the breath talkin rumors  
and labels and categorization  
I'm like a struggling doctor, No patients  
But you can say what you want about me keep talkin  
while I'm walkin away bitch  
You can say what you have to say'cause my mind's  
made up anyway  
I'm taking the high road going above you this is the last  
time that I'm gonna trust you  
You can say what you have to say'cause my mind's  
made up anyway all that bullshit you talk might work a  
lot but it's not gonna work today  
You people are running off at the mouth  
Tryin to make me take myself off safety  
Tryin to make my friends turn their backs on the team  
we built buildin up some mistaken information and I  
can't take this lemme spell it out plain for you angry  
groups complain about the things we doin not  
changing direction, I'm stepping my game up  
Maintainin my name, the same way that I came up  
You're gonna see that I'm not play instart asking the  
names that I'm not sayin but im tryin not to mention the  
names of people who wanna siphon attention  
You like the hype but pretendin you're part of the  
picture wont pass  
You're like a high school dropout, no class

You can say what you want about me keep talkin while  
i'm walkin away bitch  
You can say what you have to say'cause my mind's  
made up anyway  
I'm taking the high road going above you this is the last  
time that I'm gonna trust you  
You can say what you have to say'cause my mind's  
made up anyway all that bullshit you talk might work a  
lot but it's not gonna work today  
Why does it always have to be  
Somebody's always watching me  
All I really need is some room to breathe breathe  
breathe  
Is anybody out there listening?'cause I can't stand to  
keep this in  
All I really want, I'll say it again like that  
You can say what you have to say'cause my mind's  
made up anyway  
I'm taking the high road going above you this is the last  
time that I'm gonna trust you  
You can say what you have to say'cause my mind's  
made up anyway all that bullshit you talk might work a  
lot but it's not gonna work today
