Aight thats all you got
you got 30 seconds you ready
yeah
alright celph titled hit em

listen
yo
these hungry rappers battle for a buck and some
change
they'll really be catchin nothin give a fuck if it change
shock rap not that you get signed you might blow up
release party in iraq you might blow up
i see you tryin to think a few lines you might get at me
but slck happy with babies who born with crack in their
cribs
too much to cram under your oversized fitted
and the public school system failed you
either your ignorant or you
