If I had to live my life without you near me
The days would all be empty
The nights would seem so long
With you I see forever oh, so clearly
I might have been in love before
But it never felt this strong

Our dreams are young and we both know
They'll take us where we want to go
Hold me now, Touch me now
I don't want to live without you

Nothing's gonna change my love for you
You wanna know by now how much i love you
One thing you can be sure of
I'll never ask for more than your love
Nothing's gonna change my love for you
You wanna know by now how much i love you
Probably change my whole life through
Nothing's gonna change my love for you

If the road ahead is not so easy
Our love will be the way it was
Like a guiding star
And i'll be there for you if you should need me
You don't have to change a thing
I love you just the way you are

So come with me and i'll share with you
i'll help to see forever too
Hold me now, Touch me now
I don't wanna live without you

Nothing's gonna change my love for you
You wanna know by now how much i love you
One thing you can be sure of
I'll never ask for more than your love
Nothing's gonna change my love for you
You wanna know by now how much i love you
Probably change my whole life through
Nothing's gonna change my love for you
