Outside the rain pours,  
Just like the tears rolling down my face,  
Just like the fear of loneliness I keep inside,  
Locked inside, deep in the heart of me

Chorus

And I know that you don't think you really love me  
anymore,  
And I know that someone else is out there waiting by  
the door,  
But there's something I must ask from you before we  
break apart,  
When you leave, would you give me back the pieces of  
my heart

Someday you'll understand,  
They'll never be a perfect one,  
It's easy to have some fun,  
When things are new, I promise you,  
A friendship lasts forever...

Chorus

And I know that you don't think you really love me  
anymore,

And I know that someone else is out there waiting by  
the door,  
But there's something I must ask from you before we  
break apart,  
When you leave, would you give me back the pieces of  
my heart

People come and then they go,  
But there is one thing you should know,  
Just call on me if you ever need,  
A friend to turn to...

Chorus

And I know that you don't think you really love me  
anymore,  
And I know that someone else is out there waiting by  
the door,

But there's something I must ask from you before we  
break apart,  
When you leave, would you give me back the pieces of  
my heartÂ...
