Never thought I'd say "I'm sorry"  
Never thought I'd be the one to bring you down  
Now when I look out my window  
But there doesn't seem to be anyone around

And I, I think I'll change my ways  
So all your words get noticed [no..ticed]  
Tomorrow's a brand new day  
Tomorrow's a new day

We said we'd take a little time  
For both of us to see  
And wonder what it'd be like to carry on  
Yeah, I know I got crazy  
Well I guess that's just me  
If I could turn back time before the wrong

And I, I think I'll change my ways  
So all your words get noticed [no..ticed]

Tomorrow's a brand new day  
Tomorrow's a new day

yeah.....mmmmm.....yeah

And I [I...] I think I'll change my ways [I...]  
So all your words get noticed [no..ticed]  
I think I'll change my ways, [I...] I think I'll change my  
ways  
[Ohh...] I think I'll change my ways

Never thought I'd say I'm sorry  
Never thought I'd be the one
