sit around and loose myself  
again  
never thought i'd wait to realize  
i can't hold on  
to what you see  
and i can't move  
when your down on your scene

a mistake  
it's all i remember  
trying to hold on  
to all of my ways

so save me  
and my life  
just hold on  
how could you realize  
ya save me  
in my life  
just hold on  
got to realize  
good bye

sit around and find myself  
again  
never though i'd wait  
to justify  
i cant hold on to what you see  
and i can't move  
when your down on your scene

so save me  
and my life  
just hold on  
how could you realize  
ya save me  
in my life  
just hold on  
got to realize

goodbye

goodbye...

goodbye.....

so save me

so save me  
in my life  
just hold on  
how could you realize  
just save me  
in my life  
just hold on  
how could you realize  
take me  
you barely realized....  
so save me in my life  
just hold on...  
ooooh
