-maybe you got the world blind

-but i know you deep inside

-im gonna wait to expose you

-one day i will know the truth

pre:-then youll come round (come round)

-and ill be waitin(waitin here)

-yeah it wont make sense

-when they open their eyes to you

-when they open their eyes

chorus:-cause you seem so hollow

-hollow like me

-when you see my eyes

-do you hide your face

-you seem so hollow

-hollow like me

-when you see my eyes

-do you turn away

-you gave me somethin to realize

-youre nothin more than a sold out broken prize

-i got a taste for the innocent

-youre far from that cause you always pretend

-then youll come round (come round)

-and ill be waitin(waitin here)

-When your face hits the ground

-I'll be laughing at your tears

chorus

-never thought id see you fall apart

-never thought id look into your eyes

-i, i

chorus

-youre hollow like me

-yeah, yeah

-like me
