"So save me"

sit around and lose myself
again
never thought i'd wait to realize
i can't hold on
to what you see
and i can't move
when your down on your scene
a mistake
it's all i remember
trying to hold on
to all of my ways

so save me
and my life
just hold on
how could you realize
just save me
in my life
just hold on
you've got to realize
good bye

sit around and find myself
again
never though i'd wait
to justify
i cant hold on to what you see
and i can't move
when you're down on your scene
so save me
in my life
just hold on
how could you realize
just save me
in my life
just hold on
you've got to realize

goodbye

goodbye...

goodbye.....

so save me

so save me
in my life
just hold on
how could you realize
just save me
in my life
just hold on
how could you realize
so save my
in my life
just hold on
how could you realize....
so save me in my life
just hold on...
ooooh
