I dont need a reason
I dont need to try
I dont need to be the things that you want me to be
So free
I'm sick and tired
Yeah, I don't need to think
I just wanna see the things that you want me to see
(mmmm)
You're so free

Yeah, it's over now
What ya gonna do tomorrow?
Yeah, It's over now
I can't even see
I can't even see you go

Livin in the moment
I get so high
Don't wanna see your face now that you've said good-
bye (mmmm)
I'm just sick and tired
I'm on a rail
I don't wanna see the things that you want me to see

Yeah, it's over now
What ya gonna do tomorrow?
Yeah, it's over now
I can't even see your pain
Yeah, it's over now

What ya gonna do tomorrow?
Yeah, it's over now
What ya gonna do?
What ya gonna do?
What ya gonna do?(tomorrow)
What ya gonna do?

Yeah, it's over over (turn around)
Yeah, it's over it's over (turn around)
Yeah, it's over over (turn around)
Yeah, it's over it's over

Yeah, it's over now
What ya gonna do tomorrow
Yeah, it's over now
What ya gonna do
What ya gonna do
What ya gonna do tomorrow
What ya gonna do
What ya gonna do tomorrow
Yeah
