My darling come to me
Sit you down easily
And rest awhile near the soft fire light
Cold is the night

But warm is my heart with pride
Having you by my side
You're still my guiding light
After a-all these years

You're soft assuring ways
The rock I lean on
Saw me through my darkest days
When all hope had go-o-one

You're still the only one
I'll ever hold near
And I love you
After a-all these years

Time from me passes on
And I'm growing old
A lifetime nearly gone
I cannot unfold, nights dark and cold

But warm is your hand in mine
Feeble with aimless time
The light of love still shines
After a-all these years

You're soft assuring ways
The rock I lean on
Saw me through my darkest days
When all hope had go-o-one

You're still the only one
I'll ever hold near
And I love you
After a-all these years
I still love you
After a-all these years...
