I closed my eyes, drew back the curtain  
To see for certain what I thought I knew  
Far far away, someone was weeping  
But the world was sleeping  
Any dream will do

I wore my coat, with golden lining  
Bright colours shining, wonderful and new.  
And in the east, the dawn was breaking  
And the world was waking  
Any dream will do.

A crash of drums, a flash of light  
My golden coat flew out of sight  
The colours faded into darkness  
I was left alone

May I return to the beginning  
The light is dimming, and the dream is too  
The world and I, we are still waiting  
Still hesitating  
Any dream will do

A crash of drums, a flash of light  
My golden coat flew out of sight  
The colours faded into darkness  
I was left alone

May I return to the beginning  
The light is dimming, and the dream is too  
The world and I, we are still waiting  
Still hesitating  
Any dream will do
