In the twilight glow I see you
Blue eyes crying in the rain
When we kissed goodbye and par-arted
I knew we'd never meet again

Love is like a dying e-ember
And only memori-ies remain
Through the ages I'll remember
Blue eyes crying in the rain

Now my hair has turned to si-ilver
And my eyes no longer shine
In my heart I'll always lo-ove you
I know you always will be mine

Someday when we meet up yo-onder
We'll stroll hand in hand again
In that land that knows no par-arting
Blue eyes crying in the rain

In the twilight glow I see you
Blue eyes crying in the rain
When we kissed goodbye and par-arted
I knew we'd never meet again

Love is like a dying e-ember
And only memories remain
Through the ages I'll remember
Blue eyes crying in the rain
