I don't know why I love you but I do  
I don't know why I cry so but I do  
I only know I'm lonely and that I want you only  
I don't know why I love you but I do

I can't sleep nights because I feel so restless  
I don't know what to do, I feel so helpless  
And since you went away, I cry both night and day  
I don't know why I love you but I do

My days have been so lonely  
My nights have been so blue  
I don't know how I stand it, but I do

Each night I sit alone and tell myself  
That I will fall in love with someone else

I guess I'm wastin' time but I've got to clear my mind  
I don't know why I love you but I do

My days have been so lonely  
My nights have been so blue  
I don't know how I stand it, but I do

Each night I sit alone and tell myself  
That I will fall in love with someone else  
I guess I'm wastin' time but I've got to clear my mind  
I don't know why I love you but I do

I don't know why I love you but I do
