Of course we have our differences  
You shouldn't be surprised  
It's as natural as changes  
In the seasons and the skies  
Sometimes we grow together  
Sometimes we drift apart  
A wiser man than I might know  
The seasons of the heart

When I'm walking here beside you  
In the early evening chill  
A thing we've always loved to do  
I know we always will  
We have so much in common  
So many things we share  
That I can't believe my heart  
When it implies that you're not there

Love is why I came here in the first place  
And love is now the reason I must go  
Love is all I ever hoped to find here  
Love is still the only dream I know

So I don't know how to tell you  
It's difficult to say  
I never in my wildest dreams  
Imagined it this way  
Sometimes I just don't know you  
There's a stranger in our home  
When I'm lying right beside you  
It's when I'm most alone

And I think my heart is broken  
There's an emptiness inside  
So many things I've longed for  
Have so often been denied  
Still I wouldn't try to change you  
There's no one that's to blame  
It's just some things that mean so much  
And we just don't feel the same

Love is why I came here in the first place  
Love is now the reason I must go  
Love is all I ever hoped to find here  
Love is still the only dream I know  
True love is still the only dream I know
