Pick up on the fact
Take in stride
Love and devotion
Don't confide
It's the tracks of lost emotion
Let it glide
It's gonna subside she stole my heart loved her from
the start

Watcha gonna do
When I think I'm in love
And I catch my girl doin me wrong
Too bad
It's just enough to slip back in the start
Like when you get your first ticket for illegal parking

But don't you know
It's no big deal
Take it slow
She's not for real
Let it go
Fine, you know, until she stole my heart
She stole his heart

But it's just a misdemeanor
You gotta get-a over it
Oh he loved her from the start

Love tracks, set backs
All can come back

Pick up on the fact
Take in stride
Love and devotion
Don't confide
It's the tracks of lost emotion let it glide
It's gonna subside she stole my heart
Oh she stole his heart

But it's just a misdemeanor
You gotta get-a over it
Oh he loved her from the start

Watcha gonna do
When I get to the goal
And my friends aren't tellin me when I'm playin the fool
er it

Oh he loved her from the start You
Gotta get over it
Love tracks, set backs, all can, come back, oh she
Stole his heart
