(I've got a fever and the only perscription is more cow bell)

Hey, Hey, Hey

You're sugar looking you got my sugar cookie

You make my heart stop

Sh-Shake it what cha got

Always in a heaven

Feel myself bearin'

All the way in to top top top

Chorus:

I don't want to rush ya

Ya know I'm gonna crush ya

Ya beg me not hear it

Got me comin any

It's time that I tell ya no lie I'm tryin' to sell ya

Cuz baby or in or not not not

So take this man with heart in hand

I want to remind

If your plan's to make a stand

My heart is mine

Ta Ta Time for some lovin'

I bakin' in your oven

Always out to please stepin' up in the grease

Your the flower always

Gonna race it by the hour

When it nookie I love ya sugar cookie

(Chorus)

Well like or not

I just let it go

I hear it time

Cookie

So take this man with heart in hand

I want to remind

If your plan's to make a stand

My heart is mine

Well like or not

I just let it go
I hear it time
So take this man with heart in hand
I want to remind
