Bowling Shoes

FoW

Hey now baby dont be shy

I saw you with another guy

He was short but his hair was long

He had your sunglasses on

Ba bada ba ba baah

Ba bada ba ba baah

Picked you up in a German car

He took you out to an Irish bar

You drank bar from a plastic cup

Till you were barely standin up

Ba bada ba ba baah

Ba bada ba ba baah

And now youve got some explaining to do

So come on baby wont you tell me the news

I dont know who you think youre trying to fool

But I know where youve been going so dont bother with
the bowling shoes

Tuesday night you were out again

With a bunch of your stoner high school friends

Called me up said you might be late

And you ended up in another state

Ba bada ba ba baah

Ba bada ba ba baah

And now youve got some explaining to do

So come on baby wont you tell me the news

I dont know who you think youre trying to fool

But I know where youve been going so dont bother with
the bowling shoes

BRIDGE

I want a love that will last forever

But it seems like you and me just cant quite get it
together

I want a lover I can take for granted

But you give me the blues each time I catch you red-
handed

BREAK

Hey now baby dont you lie

I saw you with another guy

He looked dumb but it sure did smart

When you held his hand and you broke my heart
Ba bada ba ba baah
And now youve got some explaining to do
So come on baby wont you tell me the news
I dont know who you think youre trying to fool
But I
Know where youve been going so dont bother with the
bowling
Know where youve been going so dont bother with the
bowling
Know where youve been going
