Here's wishing you the bluest sky
And hoping something better comes tomorrow
Hoping all the verses rhyme
And the very best of choruses to
Follow all the doubt and sadness
I know that better things are on their way

Here's hoping that the days ahead
Won't be as bitter as the ones behind you
Be an optimist instead
And somehow happiness will find you
Forget what happened yesterday
I know that better things are on their way

It's really good to see you rocking out
And having fun
Living like you've just begun
Accept your life and what it brings
I hope tomorrow you find better things
I know tomorrow you'll find better things

Here's wishing you the bluest sky
And hoping something better comes tomorrow
Hoping all the verses rhyme
And the very best of choruses to
Follow all the drudge and sadness
I know that better things are on the way

I know you've got a lot of good things
Happening up ahead
The past is gone, it's all been said
So here's to what the future brings
I know tomorrow you'll find better things
I know tomorrow you'll find better things
