As the city asleep  
Shares its dreams and desires  
Every wish that we keep  
Will trace a line to other times, other places  
Though the song of the proud  
Howls and dies, never fall for defeat  
Take a trip to relieve  
Every hour they leave  
From Killermont Street

Drink a drink to before  
And our memories spill  
Adding on as they pour  
From our Saturdays and secret sensations  
Drink a drink to tonight

Whisky words tumble down in the street  
With the pain that they cure  
Sentimentally yours  
From Killermont Street

And with collar upturned  
I made it south to see  
That the love I had spurned  
Was just the hate in me

As the ships and the steel  
Slip away to the cry of 'compete'  
There's a message for us  
We can get there by bus  
From Killermont Street
