Oh whoa  
Leave your nightlight on  
You don't have far to go

Oh whoa  
Leave your nightlight on  
You don't have far to go

Out the door, down the hall  
That is all  
Down the hall, down the stairs  
Pretty soon you'll be there

Oh whoa  
Leave your nightlight on  
You don't have far to go

Oh whoa  
Leave your nightlight on  
You don't have far to go

Down the stairs  
Take your time, don't be scared  
You'll be fine, nothing's changed  
In the dark it's all the same
