Are you alone now  
Did you lose the monkey  
He gave you backaches  
And now you slouch

He didn't mean it  
He's just a dumb ape  
Reading Playboy  
On your couch

And now it's time to say  
What I forgot to say  
Baby, baby, baby  
Come on, what's wrong?  
It's a radiation vibe  
I'm groovin on  
Don't it make you want to get some sun?  
Shine on, shine on, shine on

I went to Pittsburgh  
And joined a pro team  
Talk about a bad dream  
I broke a knee

But I can still croon  
And make the girls swoon  
Isn't that the way life's  
Supposed to be?

But now it's time to say  
What I forgot to say  
Baby, baby, baby  
Come on, what's wrong?  
It's a radiation vibe  
I'm groovin on  
Don't it make you want to get some sun?  
Shine on, shine on, shine on  
Shine on, shine on, shine on

And now it's time to say  
What I forgot to say  
Baby, baby, baby

Come on, what's wrong?  
It's a radiation vibe  
I'm groovin'  
on  
Don't it make you want to get some sun?  
Shine on, shine on, shine on

Baby, baby, baby  
Come on, what's wrong?  
It's a radiation vibe  
I'm groovin on  
Don't it make you want to get some sun?  
Shine on, shine on, shine on  
Shine on, shine on, shine on  
Shine on, shine on, shine on
