I know a girl who should never be alone (Ahhh ahhh  
ahhh)

I know a girl who should never be alone (Ahhh ahhh  
ahhh)

She's a danger to herself  
And I'm worried about her health  
She's got a problem  
And she's gonna do something dumb

I know a girl who you've got to keep an eye on (Ahhh  
ahhh ahhh)

I know a girl who you've got to keep an eye on (Ahhh  
ahhh ahhh)

Every time she goes outside  
She barely gets home alive  
She's got a problem  
And she's gonna do something dumb

Oh yeah (oh yeah)  
And I can see the signs  
Oh yeah (oh yeah)  
Cause she's only killing time  
Oh yeah (oh yeah)  
And she's not long for this world

She's a danger to herself  
And I'm worried about her health  
She's got a problem  
And she's gonna do something dumb  
She's got a problem  
And she's gonna do something dumb
