Seth Shapiro got his law degree
He moved to Brooklyn from Schenectady, '93
Got some clients in the food industry
He says it's not the money, it's the recipes

He calls his mom, says he's doing fine
She's got somebody on the other line
Puts Coldplay on, pours a glass of wine
Curls up with a book about organized crime

When it's late and it's hot
(When it's late and it's hot)
And a date with the Late Show's all that you've got
Don't give out, don't give up
(Don't give out, don't give up)
One of these nights you might find someone to love

Someone to love
Someone to love
Someone to love

Beth McKenzie got the job of her dreams
Retouching photos for a magazine, aimed at teens
It's Thursday night she should be out on the scene
But she's sitting at home watching 'The King Of
Queens'

There's something wrong that she can't describe
She takes the contacts out of her eyes
Sets the alarm for 6:45
So she can get a little exercise

When it's late and it's hot
(When it's late and it's hot)
And an hour in the shower is the best that you've got
Don't give out, don't give up
(Don't give out, don't give up)
One of these nights you might find someone to love

Someone to love
Someone to love
Someone to love

And you're not the only one who's lonely
And you're not the only one who's lonely

Seth Shapiro is trying in vain
To hail a taxi in the morning in the pouring rain
Beth McKenzie sees one just up ahead
She cuts in front of him and leaves him for dead

Someone to love
Someone to love
Someone to love
