Well I've been out walking  
I don't do too much talking these days  
These days  
These days I seem to think a lot  
About the things that I forgot to do for you  
And all the times I had a chance to

And I had a lover  
But it's so hard to risk another these days  
These days  
And if I seem to be afraid  
To live the life that I have made in song

Well it's just that I've been losing for so long

So I'll keep on moving  
Things are bound to be improving  
These days  
One of these days  
These days I sit on cornerstones  
And count the time in quartertones to ten  
My friend  
Don't confront me with my failures  
I have not forgotten them
