Channel Six news team

Breaking story bout a get-rich-quick scheme

One anchor turns and faces the other

Says it's time that I made you my lover

Ooh we belong together

Like traffic and weather

Like traffic and weather

Ooh we belong together

Like traffic and weather

Like traffic and weather

Like traffic and weather

Like traffic and weather

Every twenty we got business reports

We're gonna take a break and then we're right back
with sports

Hey Dan I like those shorts

I've never seen em before

I'd like em even more Lying on my bedroom floor

Don't run away baby, hear what I say

You know I sit here reading to you day after day

Don't be scared, sit back down in your chair

All I want to do is Just stroke your hair

Ooh we belong together

Like traffic and weather

Like traffic and weather

Ooh we belong together

Like traffic and weather

Like traffic and weather

Like traffic and weather

Like traffic and weather

Chuck Scarborough turns to Sue Simmons

Says sugar you don't know what you're missin'

Ooh we belong together

Like traffic and weather

Like traffic and weather

Oooh we belong together
Like traffic and weather
Like traffic and weather
Like traffic and weather
Like traffic and weather
