Quarter to three  
At the DNV  
That's when I saw her  
She didn't see me

Behind window bee  
Explaining patiently  
How she needs to see  
Six forms of ID

Oh tell me now  
Who do you love  
Who do you love  
Who can you trust with your love these days  
Yolanda Hayes

Quarter to four  
The line's still out the door  
I can see in her eyes  
She's heard it all before

She's looking alright  
Despite the bright flouresent lights  
And I wonder she's like  
When she gets home at night

Oh tell me now  
Who do you love  
Who do you love  
Who can you trust with your love these days  
Yolanda Hayes  
Yolanda Hayes  
Yolanda Hayes  
Yolanda Hayes  
It occurs to me  
Suddenly  
She's been here for an eternity  
The hours pass, the days go by  
But has anybody  
Really try  
To cross that line  
To get inside?

A little more time  
And now the girl is mine  
I hit her with  
My very best pick up line

She puts down my file  
Stares at me awhile  
And I swear I see her  
Crack a little smile

Oh tell me now  
Who do you love  
Who do you love  
Who can you trust with your love these days

Oh tell me now  
Who do you love  
Who do you love  
Who can you trust with your love these days
