Oh no! Another mountain!  
One I haven't seen before  
You know it seems it's so much bigger  
Than the two I climbed before  
Oh no I think I'm falling  
Not quite sure how to stand  
The world around me is falling  
Into the sinking sand  
I don't know why this happened  
To such a normal guy  
Tell me why, please don't lie  
I hear a voice inside me  
Saying that I must go on  
I could turn & walk away  
That won't get me through my day  
Oh no my world is spinning  
The future is hard to see  
Would someone come & help me  
Come & deliver me  
Still not sure why this happened  
To such a normal guy  
Tell me why, please don't lie  
Tell me! (only one side seen)  
Tell me what's on the other side

Tell me! (bigger than your dreams)  
Tell me what's on the other side.  
Now I'm standing on this mountain  
Lord, I really love this view  
The other side is so much brighter  
Colored by the love of you  
Oh no! I think I'm falling  
Could you reach out your hand?  
Please lead me through this desert  
To the promised land  
Still not sure why this happened  
To such a normal guy  
Tell me why! Tell me why  
Oh no I think I'm falling  
Not quite sure how to stand  
The world around me is falling  
Into the sinking sand

I don't know why this happened  
To such a normal guy  
Tell me why! Tell me why!
