Don't we love the stars,  
On a screen at night  
They distract us from the wars we fight  
If we could take them from the sky  
And put them in a jar, theyd surely die

CHORUS:

Little stars in our eyes  
Our hellos, our good-byes  
Cant tell us how, can't tell us why  
We all live and laugh and cry  
Like little stars  
I sit and stare, it's sweet release  
Hoping to find some sense of peace  
When I reach out, Im afraid I'll fall

I can't quite see through the next brick wall;  
Because of

CHORUS

Something that's inside of me  
Is screaming at eternity  
It moves me forward like a train  
Through lessons I must learn through pain  
Careful what you wish for, it may come true  
And when your wish is staring back at you  
It may not seem worthy, may not seem right  
If you see it in the dark instead of the light; of  
CHORUS
