I wonder
Why you
Keep me waiting,

Charmaine,
My Charmaine,
I wonder where
Bluebirds are made.

Will you come back again?
I wonder,
I keep on praying
Will our dreams be the same?

I wonder
If you
Ever think of me too.

I'm waiting,
My Charmaine,
For you.

I wonder
If I keep on praying,
Will our dreams be the same?

I wonder
If you ever think of me too.

I'm waiting,
My Charmaine,
For you.

Charmaine, for you.
Charmaine, for you.
Charmaine, for you.
Charmaine, for you.
Charmaine.
