Day by day  
I'm fallin' more in love with you  
And day by day  
My love seems to grow

There is no end to my devotion  
It's deeper, dear  
By far than any ocean

I find that day by day  
You're makin' all my dreams come true  
So come what may  
I want you to know  
I'm yours alone  
And I'm in love to stay  
As we go through the years  
Day by day

[BRIDGE]

Day by day  
You're makin' all my dreams come true  
So come what may  
I want you to know  
I'm yours alone  
And I'm in love to stay  
As we go through the years...  
We go through the years  
We go through the years...  
Day by day
